### President's Corner

Thanks to everyone for working hard on Tuesday! If we improve like that we'll be going places.

The theme for this year's show will be something to the effect of "Roots of American Harmony." Since we are planning this now, I'd like to include as many of as possible and make this show truly memorable. Be thinking of ideas on what sort of involvement you would like to have.

### **100 ways you can Take Part in Your Chapter**

Since no one gave me anything to put in this space I will fill it with a few of the 100 ways to take part in your chapter.

6. Bring in doughnuts on your "Barbershop Anniversary" night - bring in a special treat for after rehearsal.
7. Don't talk on the risers and don't let others talk on the risers.
8. Smile. Act like you're enjoying your hobby and show it (Let the director know you're "really" there)
9. Take your quartet to retirement homes and show your hobby. Family members are often there visiting and recruiting new members is part of your performance.
10. Volunteer to do a little more than you really want to in fundraising or committee work.

This is 10 of the 100 that I have. I will continue till I get to the end or you have something you want to put here. Thanks
